

# 4 INVESTMENT PRIORITIES

## HIGHWAY SAFETY

We are focusing on the "worst of the worst" roads. We have already improved **150 MILES** of rural roads.

## ROAD RESURFACING

80% of the state's 42,000 miles need resurfacing or rebuilding. We have already resurfaced **1,500 MILES** of South Carolina roads.

## BRIDGES

**55 BRIDGES**

have already undergone safety repairs with 300 more on the way.

## INTERSTATE WIDENINGS

2 Major Interstate Widening Projects

**UNDERWAY**

# SOUTH CAROLINA ROAD CONDITIONS:

### AN UPDATE ON THE 10-YEAR PLAN TO FIX OUR ROADS!

Since the 2017 Infrastructure and Economic Development Act passed, SCDOT has been working on our roads with a focus on highway safety, structurally deficient bridges, road resurfacing, and interstate widening.

## REPORT POTHOLES

While we are under construction, help us by reporting potholes in your area.
